## 14<sup>th</sup> Annual Conference

Association for Educational Assessment – Europe

**7-9 November 2013 | Paris**

Pre-conference workshops 6 November

**Location:** The conference is to be held in the elegant and historic Sorbonne. The special early bird registration fee applies until 30th September, and places are already limited. So register before 1st October to benefit.

**Theme:** International surveys, policy borrowing and national assessment. This is an important and broad topic that has attracted a large number of interesting presentations, reflecting the different spheres of interest within the Association's multinational membership and within Europe more generally.

**Keynotes:** Our keynote speakers will be:

Andreas Schleicher - *OECD*

Nathalie Mons - *University of Cergy-Pontoise*

Paul Newton - *Institute of Education, University of London*

Pierre Vignaud - *University of Paris 10*

Announcing Kathleen Tattersall New Researcher Award winner – Fabienne van de Kleij

**Our partner organisation for the conference is DEPP, French Ministry of Education**
